ANNUAL INDEX—1937

A

Abel, Ralph M., Membership qualifications in all optometric societies should be raised 357
Abel, Ralph M., The relationship of vitamins A, C, and G, (B_2) to the ocular structures and the ocular manifestations of these vitamin deficiencies 426
Absorption lens for use in cases of cataract, E. LeRoy Ryer and Elmer E. Hotaling . . 244
Absorption lenses, variations in visual acuity with various, Julius Neumueller 61
Accommodation, the ocular mechanism of, C. I. Saks (Abst.) 437
Accommodative convergence, photographic measures of, Brant Clark 202
Accommodative-convergence relation, Glenn A. Fry 402
Acuity, visual, William Tait 302
Albumin content of the crystalline lens, E. LeRoy Ryer and Elmer E. Hotaling 248
Allergy and cataracts, W. R. Buffington (Abst.) 78
Amblyopia, tobacco, Carel C. Koch 70
Anaemia and ocular symptoms, T. H. Eames 164
Anatomy, histology and embryology of the eye, lecture program on, B. Meyer 72
Aniseikonia control, a technique for, C. I. Saks (Abst.) 119
Aniseikonia, further observations on, Howard C. Doane 122
Aniseikonia, the correction of, Howard C. Doane 42
Aniseikonia, the correction of, with ophthalmic lenses (Abst.), Kenneth N. Ogle 37
Astigmatism, D. R. Paine 382
Atkinson, D. T., The external diseases of the eye (Book notice) 400
Atkinson, D. T., The ocular fundus in diagnosis and disease (Book notice) 200
Atkinson, T. G., Diathermy in the treatment of cataract (Abst.) 119
Atkinson, Thomas G., Stimulus-Response Manual (Book notice) 115
Automobile drivers, visual standards for, Edwin H. Silver (Abst.) 80

B

Base-in orthoptic treatments, results of, William J. Tait 7
Bateman, E., Reports of three cases of progressive myopia and a case of hyperphoria 269
Baxter, James O., Jr., Lens effectivities of distance corrections at differing near-points 34
Binocular vision in orthoptic training, M. Luckiesh and F. K. Moss (Abst.) 360
Blackburn, R. H., Perception of movement 365
Books, arrangement of in an optometric library, Carel C. Koch 222
Brown, E. V. L., Apparent increase of hyperopia up to the age of nine years (Abst.) 201
Buffington, W. R., Allergy and Cataracts. (Abst.) 78
Bureau of visual science publications. American Optical Co. (Book notice) 439

C

Calorescence of the crystalline lens, E. LeRoy Ryer and Elmer E. Hotaling 251
Cataract, a new absorption lens for use in these cases, E. LeRoy Ryer and Elmer E. Hotaling 244
Cataract, diathermy in the treatment of, T. G. Atkinson (Abst.) 119
Cataract, nutritional factors causing, Blanche Crawford 361
Cataract on the increase, E. LeRoy Ryer and Elmer E. Hotaling 247
Cataracts and allergy, W. R. Buffington (Abst.) 78
Character of the optometric practitioner, L. P. Folsom 193
Chart, record from the syntonic viewpoint, H. R. Spitler 372
Charts, illustrated record, Carel C. Koch . . 25
Chrome-orthoptics, the fundamentals of, William Henning (Book notice) 40
Chronometric technic, Z. J. Shoen 73
Clark, Brant, Photographic measures of accommodative-convergence 202
Cohen technique of subjective eye testing, Carel C. Koch 390
Colds producing eye conditions, T. H. Eames 162
Cole, G. E., Wills Hospital eye manual for nurses (Book notice) 40
Color fields, A. R. Reinke 12
Colored miral reflexes, James H. Drakeford 1
Coloring record charts, Carel C. Koch 148
Contact lenses, the computation of refracting, Harry S. Friedman 441
Convergence amplitude, William J. Tait 4-92
Convergence and its supporting functions, W. S. Farmer 216
Convergence-accommodation, photographic measures of, Brant Clark 202
Convergence-accommodative relation, Glenn A. Fry 402
Cover test, graph for recording findings of, Carel C. Koch 27
Crawford, Blanche, Nutritional factors causing cataract 361
Crisp, W. H., Strabismus and refraction, (Abst.) 79
Crystalline lens, the protein and albumin content, E. LeRoy Ryer and Elmer E. Hotaling 248

D

Davis, A. Edward, Medical treatment of cataract (Book notice) 241
Diabetics and ocular symptoms, T. H. Eames 164
Diathermy in the treatment of cataract, T. G. Atkinson (Abst) 119
Diseases, eye conditions produced by common, T. H. Eames 162
Diseases of the eye, C. H. May (Book notice) 400
Doane, Howard C., Clinical deevolpments and observations in the correction of aniseikonia 42
Doane, Howard C., Further observations on aniseikonia 122
Drakeford, James H., An opinion on the meaning of colored miral reflexes and on myopia 1
Ductions and the speed of reading, E. L. Stromberg 415

Dynamic accommodation, avoidance of, through the use of a brightness contrast threshold, M. Luckiesh and F. K. Moss (Abst.) 359

E

Eames, T. H., Eye conditions caused by common diseases 162
Education, optometric, Carel C. Koch 343
Educational trends in optometry, J. I. Kurtz 431
Eighteen point technique, some inconsistencies in the, M. O. Ranoe 112
Emmes, Arthur B. 476
Emotional disorders and the eye, Lewis H. Kraskin 285
Examination record form from the syntonic viewpoint, H. R. Spitler 372
Examination routine, charts for, Carel C. Koch 25
External diseases of the eye, D. T. Atkinson (Book notice) 400
External ocular inspection, chart for recording findings, Carel C. Koch 27
Eye-movement photography in accommodation convergence, Brant Clark 202
Eye surveys, general, Carel C. Koch 183

F

Farmer, W. S., Procedure for analyzing convergence and its supporting functions 216
Fatigue, general and ocular, J. I. Kurtz 273-308
Fees, optometric, H. Gruman 280
Fees, optometric, H. S. Player 237
Fevers and ocular symptoms, T. H. Eames. 166
Field studies in eye practice, Harold Simmerman (Abst.) 117
Fields of vision, color, motion and form, A. R. Reinke 12
Fisher, W. A., Ophthalmoscopy, retinoscopy and refraction (Book notice) 240
Fisher, W. A., Senile cataract (Book notice) 242
Fluorescence of the crystalline lens, E. LeRoy Ryer and Elmer E. Hotaling 251
Focal infections causing eye conditions, T. H. Eames 162

Hall, R. M., Differentials in Heterotropia .. 21
Heat as a cause of cataract, E. LeRoy Ryer and Elmer E. Hotaling 249
Henning, Wm., The fundamentals of chrome-orthoptics (Book notice) 40
Heredity and cataract, E. LeRoy Ryer and Elmer E. Hotaling 246
Heterotropia, differentials in, R. M. Hall .. 21
High blood pressure and ocular symptoms, T. H. Eames 164
History and symptoms, Carel C. Koch 354
Hotaling, Elmer E., A new absorption lens for use in selected cases of senile cataract with negative histories 244
Human motivation, the role of vision in, R. C. Givler (Abst.) 474
Hygiene, ocular, C. Solkowitz 465
Hyperopia, apparent increase in, up to the age of nine, E. V. L. Brown (Abst.) ... 201
Hyperphoria, a case report, E. Bateman ... 269
Hysteria and ocular symptoms, T. H. Eames 166

I

Income tax, the optometrists', Carel C. Koch 73
Industrial survey work, Carel C. Koch 170
Infections producing eye conditions, T. H. Eames 162
Influence of heterophoria on corneal curves, D. R. Paine 382
Insomnia cases, the management of, J. I. Kurtz 469
International Optical Congress, J. I. Kurtz 69
Introduction to physiological optics, J. P. C. Southall (Book notice) 440

J

Johnson, Chester H., The fourth component of a refraction (Abst.) 117
Julian, M. J., Prescribe light when you prescribe lenses (Abst.) 79

K

Kentucky council on optometric education and professional guidance, H. K. Fulkerson 397
Keratomalacia, R. M. Abel 427
